“READ IN ORDER TO LIVE”.

Don't we all want to live and not just exist? People who are addicted to reading know how wonderful it feels to lose oneself into a whole new world. Reading is such a passion that it's absolutely certain that nothing else can replace it. Reading offers both pleasure and information and its benefits would always come to those who read, whether they are consciously aware of them or not. It is up to the reader to strike a healthy balance between fiction reading and non-fiction study so as to be able to get the most out of this wonderful addicted habit.

The most wonderful thing that reading offers is a peep into another world. When you pick up a book and lose yourself into it, it's as you have transcended your present situation. We all have day-to-day tasks to take care of, and many a times we go bed all tense and frustrated and sometimes just downright bored with life. This is when reading comes to our rescue and we should welcome it with open arms if we truly want to be happy and alive. To be able to forget our problems, or simply to forget ourselves for sometimes, it not only healthy it is essential too, if one wants to keep ones sanity intact. Reading offers use a chance to see the world from someone else's, eyes, thus broadening our horizons and opening our minds to new possibilities

Reading is a great imagination booster and it helps develop a sense of creativity in you. It will also help you develop better concentration which we need so badly at all the times. When you are spinning a whole new world in your mind, you are actually creating something new with complete concentration and without much conscious effort. This develops in you the significant trait of focusing.

But we must not forget that the merits associated with reading can only be taken advantage of when we read books of value. Reading non serious stuff, will only rob you of your precious time, money and energy giving you nothing of importance in return. John Ruskin aptly remarked, " Life being very short, and the quiet hours of it few, we ought to waste none of them in reading valueless books".....

In the beginning everybody do mistakes. And always try to make new friends who are willing to improve their English as practice with them as much as possible.

4. Writing :

In reading part you read two pages. You have to take 8 to 12 correct grammatical sentence from those two pages and you have to write down in your notebook. And read them frequently. Try to remember whole sentences rather than individual word meaning because if you knew complete sentence them you can speak it very quickly.

5. Thinking :

Thinking is very important part of spoken English because whatever you can think, you can speak. So make a habit to think in English. Everything takes time. In the beginning it will be difficult but when you will practice and practice it will be part of your memory and once it becomes your habit them English will come naturally from your mouth.

BEAUTY OF NATURE

The falling of snowflakes coming down
Make a blanket of white on the ground.
The dawn at morning, dusk at night
It seems to be burning anthracite.
The rising of sun on eyes like crimson,
A buzzing of bees.
As they go on their mission,
With a cool breeze going from the trees.
The flowers of colours red, yellow and blue
The sparkling of grass in the morning-dew.
The chirping of bird with a beautiful word,
This was the sweetest sound I've ever heard.
The sea is beautiful with blue sky above,
With sea-gulls and some doves.
Beautiful butterflies going on their way,
The beauty of nature, really make my day.

IMPORTANCE OF ENVIRONMENT

Environment is the surrounding to which living or non-living forms are exposed to keeping the human features to a minimum. The air we breathe, the water we consume the eco system we live in. All constitute the environment. Clean environment is very much necessary for a healthy and prosperous society. The vegetation, aquatic life, all living species including humans are deeply affected by the condition of the environment they live in. Hence it is evident beyond doubt that a clean environment is very much necessary for a healthy eco system.

Why is a Clean Environment Necessary/Importance of Clean Environment

A clean environment is very important for a health and prosperity of a society and a Nation as whole. It is one of the basic requirements for the presence of life on Earth. Here are some points describing why clean environment is necessary for us:

1. Any living species including plants, animals, humans and aquatic life cannot survive amid waste.
2. They all need a healthy and clean environment to live.
3. An unclean environment gives way to diseases and an unbalanced eco system and much more.
4. Unclean environment results in the depletion of natural resources making survival of all living forms very difficult.
5. A society that consumes polluted water or breathes in polluted air cannot be healthy and prosperous.
6. Polluted environment has an adverse effect on the eco system and also the vegetation.

THE CREATION OF GOD MOTHER EARTH

God created the Earth a hundred million years ago.

He created the sun, the stars and the moon,
He created the world to make life where in humans thrive.

He made this world beautifully, even his mistakes were done rightfully.

All the things were going right until the humans divide.

They made division and borders.

They cut trees, laid forests on fire,
constructed buildings for their earnings,
Forgotten about the Mother Earth's health, they worried for their wealth.

The consequences had to be faced as God changed the fate.

Covid-19 and these disasters may be the signs,

God has always been kind but not this time.

The time has come to understand the true colors of nature,

They may be the best and the worst too.

DREAMS

I dreamed a dream and in that dream,
I dreamed that I had dreamed a dream,
Of hope and fairytales come true,
I dreamed a dream and thought of truth,
I dreamed a dream of life and love,
Of fate and angels and God above,
I dreamed a dream of good wishes and
friends,
I dreamed a dream I dreaded to end,
But then I woke into my dream,
I dreamed I woke in a world obscene,
I dreamed a dream of violence and hate,
And once again I dreamed of fate,
I dreamed a dream of terror and fear,
I dreamed that each word went unheard,
And so children never spoke a word,
I dreamed a dream of demons and beasts,
I dreamed a dream that ended at last,
I woke in my bed and wondered if,
I dreamed a dream of dreams or if,
I dreamed a dream of truth that night,
And if so I wondered which was truth
And which was merely a dream.

HOPE IS THE THING WITH FEATHER

*Hope is the thing with feathers
That perches in the soul,
And sings the tune without the words,
And never stops at all,
And sweetest in the gale is heard;
And sore must be the storm
That could abash the little bird
That kept so many warm.
I've heard it in the chillest land,
And on the strangest sea;
Yet, never, in extremity,
It asked a crumb of me. Hope is the thing with feathers*

MY DREAM BHARAT

"Bharat is a golden bird and independence is its new wings." In the Bharat of my dreams, there will be peace and harmony. It will be free of violence, terrorism, hunger and suffering. It will be filled with compassion, peace and happiness. Every citizen will be literate. Bharat will reach great heights. Every citizen would be able to hold up his/her head with dignity and self-respect.

I want Bharat to be at the apex in terms of science and technology progress. I would like to build a Bharat where logic and scientific ideas would prevail over blind faith and fanaticism. Crude emotionalism and coarse sentimentalism would never rule. This is my Bharat—a great nation, a land of peace, prosperity and truthfulness where no one is afraid of speaking the truth and where there is no corruption. I am proud to be a part of Bharat and respect the culture and heritage of my country.

It is helpful to everyone, to the sellers and buyers. Sellers can make a lot of profit and buyers can purchase products in cheaper price without any effort for going to market, the product will be delivered to their houses.

ADVANTAGES AND DISADVANTAGES OF ECOMMERCE

The invention of faster internet connectivity and powerful online tools has resulted in a new commerce arena – Ecommerce. Ecommerce offered many advantages to companies and customers but it also caused many problems.

ADVANTAGES OF ECOMMERCE

- Faster buying/selling procedure, as well as easy to find products.

- There is no guarantee of product quality.
- Mechanical failures can cause unpredictable effects on the total processes.
- As there is minimum chance of direct customer to company interactions, customer loyalty is always on a check.
- There are many hackers who look for opportunities, and thus an ecommerce site, service, payment gateways; all are always prone to attack.

IMPORTANCE OF DOCTORS IN OUR LIFE

In our lifetime many unforeseen disasters have occurred. In every scenario doctors play a very crucial role? Doctors always give their best for saving people in danger. Nowadays, a dangerous pandemic is spreading across the world. Government as well as people are taking unavoidable steps in fighting it. The world is taking all the necessary precautions to safeguard themselves from the COVID-19 and the most important role is of our doctors and medical team. They are always dedicated for the selfless service to us in such difficult times. They may get tired but they never lose their self-motivation. Many countries are giving their best in finding the vaccines and they will succeed very soon. Hence, it is our role to support our Corona Warriors. We should take all the necessary steps such as ----

- Wash our hands properly;
- Wearing masks;
- Maintaining social distancing;
- Working from home; etc.

Different countries are strengthening their medical faculties by recruiting experienced doctors, increasing hospitals and beds for patients. They are also researching for the vaccine, increasing the testing scale and most importantly providing every doctor PPE kits (Personal Protective Equipment). So, we should respect our doctors for giving their best for the mankind. They are the true heroes of the world.

EVEN WILTED FLOWERS GROW

Stories of beautiful kings and queens
Plastered across our plastic screens
Divert from the reality
Which is yet unseen
The perfect stories
Set under the trees
Seldom show the difference
Between storms and breeze
Through all the ages
Since kings and sages
Her powers have been
Muffled in cages
She has rallied In cities and valleys
And from followers
Support has sallied
And when the sun shone
When the minds weren't stone
That's when the real warrior she was
Got exposed
When she finally rose
As fervent as prose
The world proved again
Even wilted flowers grow

HEART OF POETRY

Poetry gives us a vocabulary for the feelings that don't easily fit into language. And it's not a static vocabulary because we as beings are constantly changing and contradicting ourselves and growing and coming up against problems that feel completely new or happiness's that feel completely new.

“THE LOCKDOWN PERIOD 2020”

How happy you feel when the exams get over and you have lots of time to have fun. We were also excited when the exams got over but suddenly an epidemic of covid-19 spread all over the world and we were imprisoned in our own houses. This was a very difficult time which I saw in my teenage. We were getting bored. Suddenly we got a news that DD Bharti is playing mahabharat and we started to watch it. It was the story of Kaurav and Pandav. We got to learn something from each character i.e.

- A better strategy in any area of life can make your life a success.
- By being in the company of negative people in life ,the effect of negative thoughts will be strong on your mind and brain.
- Victory always belongs to him, where God is and God is always where the truth is , so never leave the truth.
- If you befriend, and then do it, but being a friend doesn't mean that you should support a friend even in wrong deeds.
- Excessive emotionality sometime makes a person weak and he doesn't recognize the differences between right and wrong.
- Be obsessed with education and qualifications if you are observed with your work then no obstacle can stop your path. Eklavya is a good example of this.
- Arrogance and ego are the cause of decline. Never ego of your good position, bank balance , wealth, beautiful appearance and scholarship.
- Excessive greed makes human life hell.
- Do not try to grab, that is not yours.
- It is also important to give wisdom and good values with wisdom

अनुभूति: एक प्रयास

अनुभूति" एकांत के एक क्षण में
जिन्दगी के हर बीते पल की ओर
आज सहसा ही ध्यान खिंच जाता है
और तभी होती है एक "अनुभूति"
क्या हमने हर पल की गलती ही गलती की।
बीत गई सारी जिन्दगी यू हीं जोड़-तोड़ में।
क्या बोया क्या सींचा क्या खोया क्या पाया।
कुछ भी ना तो साथ जाएगा।

बंद मुठी आया था खाली हाथ जाउंगी।
विडंबना की मनोस्थिति मे, अंतर्मन की द्वन्द में।
तभी एक दृढ़ निश्चय करते हैं जीवन को पुनः।
तलाशने की जीवन को पुनः समझने की।
तब होती है एक नई "अनुभूति"
सत कार्य ही शायद सही कर्म है
जिंदगी का पुनः दृढ़ निश्चय करते हैं
आने वाला अब शेष हर पल बीतेगा सतकर्मों में
नियति को तो और ही कुछ मंजूर था
बीत गई सारी जिन्दगी यू हीं तलाश में
और स्वयं को हम पाते हैं जिन्दगी के अंतिम पल में
तब तक हर पल कुछ भी करने का बीत चुका था
पुनः होती है एक अंतिम "अनुभूति"
काश' आयी होती सही समय पर वह सारी "अनुभूति

अनुभूति: एक आनंद

आजकल आप सुबह की सैर पर नहीं आ रहे हैं। एक सेवानिवृत्त मित्र से पूछा तो उत्तर मिला- 'लड़का आठ दिन बाद अमेरिका जाने वाला है। एक बार वह चला जाए तब वापस सैर पर आना प्रारंभ करूँगा।' पड़ोस ही में रहते हैं, अतः मालूम है कि लड़के की अमेरिका जाने की तैयारी में इनका योगदान शून्य है, लेकिन अपने सैर के आनंद को इन्होंने उसके परदेस जाने तक अर्जित अवकाश पर भेज दिया। सुंदरता में आनंद की खोज होती है, लेकिन कभी विचार किया कि क्या सचमुच सुंदरता आनंद प्रदान करती है? सुंदर स्त्री, सुंदर पुरुष और सुंदर वस्तु देखकर पलभर सुख मिलता है, लेकिन उसकी अप्राप्ति, उस पर अधिकार न होने का भाव हमें किसी कोने में दुःखी भी कर देता है।

भाग्य से वह सुंदर स्त्री, पुरुष या वस्तु हमें प्राप्त भी हो जाए तो कोई और उसे हमसे छीन न ले जाए या किसी और की उसमें हिस्सेदारी न हो जाए इसकी आशंका परेशान करती रहती है। इसलिए सुंदर स्त्री, सुंदर पुरुष या सुंदर वस्तु में आनंद खोजने की अपेक्षा किसी भी स्त्री, किसी भी पुरुष या किसी भी वस्तु में सुंदरता खोजने का प्रयास करें तो शायद आनंद का कोई ऐसा क्षण आप पा सकते हैं, जिसके चुराए जाने का कोई खतरा नहीं हो।

पचपन वर्षीय एक अधिकारी को इंदौर घर होते हुए भी पदस्थी की वजह से भोपाल बसेरा करना पड़ा। सप्ताहांत परिवार से मिलने वे बस से इंदौर आते एवं रविवार की रात वापस भोपाल जाते। एक बार उनके वरिष्ठ अधिकारी ने पूछा- 'इस उम्र में बस से यह आवाजाही? काफी थक जाते होंगे?' इस पर वे बोले- 'बिलकुल नहीं, मैं तो आनंद मनाता हूँ। चूँकि इन चार-पाँच घंटों की बस यात्रा में मुझे परेशान करने वाला कोई नहीं होता, मुझे आराम से चिंतन करने का पर्याप्त समय मिल जाता है।' साधारणतः सड़क परिवहन निगम की यात्रा सुखद नहीं मानी जाती, लेकिन खोजने वाले उसमें भी आनंद तलाश लेते हैं। किसी शाम कस्बे के आकाश की ओर नजरें उठाएँ- रंग-बिरंगी पतंगों से आच्छादित आकाश में सहसा कोई पतंग कटती है और नीचे कई बच्चे आनंद से शोर मचाते हैं। सब कुछ सहज, बिना किसी ड्रामे के होता है।

आशाएँ

सपने उन्मुक्त संजोए वो झोली में,
बैठ गयी वो डोली मैं ।
पंख फैलाएं आशियाँ , था उसको बुला रहा ॥
भोली सी वो बावरी , अंजान दुनिया के दस्तूर से ।
सपने देखने का हक़ कोई उसे बताये ,
था सिर्फ़ बाबुल की चौखट तक ॥
सामने के वीरान रास्तों पर,
तुझको चलना होगा किसी और के सपनों को पूरक करने के लिए ॥
मत हार तू मानना , ना थक कर बैठना ।
काबिलियत तेरी तुझको ढूँढ ही लेगी ॥
जीवन में आगे बढ़ने के लिए ,
तूफानो से तुझको लड़ना होगा ॥
दुसरो के मूल्यों और उपेक्षाओं पर ,
खरा उतरने की कोशिश ,
है तुझको पीछे धकेलती ॥
दुसरो की बंद सोच से बाहर तू निकलकर ,
जब सींचना शुरू करेगी तू जीवन को ।
जिंदगी को तभी मिलेगी एक नई प्रेरणा , एक नई दिशा ॥
दिल के खाली कोनो में,
जो जल रहे उम्मीदों के असंख्ये नन्हे दीप
सूरज की सतरंगी किरणों के साथ मिलकर ,
जगमगा उठेंगे ॥
बस दृढ़ रहकर तू ,सूरज की लालिमा को निहारना
दबे हुए सपनों को जब प्रोत्साहन की चिंगारी मिलेगी,
तो वो प्रकाश पुंज बन जायेंगे ॥
किसी और के सपनों को पूरा करने का भी मनोबल वो बन जायेंगे ।
स्वप्न सलोने एक ना एक दिन जरूर पूरे होंगे ,
जरूर पूरे होंगे ॥

बढ़ता जा तू राह में अपनी, गीत निराला गाता जा,
इष्ट तेरा है रागों में, वंशी मन की सुनाता जा।
