

WISDOM
Global School

PALLAVPURAM PHASE 1

YEARBOOK

BUZZ-5 (2024-25)

Pearls of Wisdom

VISION

Our Vision at Wisdom Global School is to empower students to acquire, demonstrate, articulate and value knowledge and skills that will support them, as life-long learners, to participate and contribute to the global world and practice the core values of the school- Respect, tolerance, inclusion and excellence.

MOTTO

LEARNING

BEYOND

BOUNDARIES

MISSION

The Mission of the school is to develop its students to be responsible, well informed, environmentally aware citizens and useful members of the society, discovering and developing individual potential acquainting them with various facts of fast emerging information technology.

FROM The Managing Director's Desk

**"Education is not merely the acquisition of knowledge
But the awakening of the mind to infinite possibilities"**

As we turn the pages of this yearbook, we embark on a journey down memory lane, reflecting on the incredible moments that defined this academic year. It is a celebration of our students' achievements, resilience, and growth, and a testament to the unwavering dedication of our teachers, staff, and parents.

This year has been a blend of challenges and triumphs, where our students have continued to shine in academics, sports, arts, and co-curricular activities. Their determination and enthusiasm remind us of the boundless potential they hold.

At **WISDOM GLOBAL SCHOOL**, our vision is to nurture not just intellectual brilliance but also compassionate and socially responsible individuals. It fills me with pride to see our students embodying these values, striving for excellence while staying grounded in empathy and kindness.

Together, we will continue to inspire and empower young minds to shape a brighter future. Wishing all our students success and joy in their future endeavors. Let this yearbook be a cherished reminder of their time at WGS.

Mr. Amar Ahlawat
Managing Director

FROM The Principal's Desk

**"Education is not the learning of facts,
But the training of the mind to think."– Albert Einstein**

Dear Parents and Students,

As you reflect on your time at **WISDOM GLOBAL SCHOOL** remember that learning doesn't stop within the walls of the classroom. Our school motto **Learning Beyond Boundaries**, highlights the importance of curiosity, exploration, and growth that reaches far beyond what's expected. You have shown that true learning happens when you push past limits, embrace new challenges, and explore diverse perspectives.

Take the lessons you've learnt here and continue to break barriers, inspire others, and seek knowledge in every corner of the world. Your potential is limitless, and I am excited to see all that you will achieve.

This yearbook captures the essence of what makes our school so special—our unity, creativity, and joy. As you flip through its pages in the years to come, may it bring back wonderful memories and a sense of pride in all that we've achieved together.

Wishing you all continued success and happiness.

Ms. Swati Rana
Principal

Nation Builder Award

The halls of Wisdom Global School resonated with jubilation and pride as the institution's Principal clinched the prestigious Nation Builder Award from Rotary Club Meerut, an attestation to her unwavering commitment to pioneering education and shaping the nation's future leaders.

The school's unique approach, blending traditional academic rigor with progressive methodologies, has not only garnered academic success but has also instilled values of leadership, empathy, and innovation in its students.

Certificate of Achievement

GLOBAL SCHOOLS PROGRAM

Global Schools
Program

CERTIFICATE OF MEMBERSHIP

This is to certify that

WISDOM GLOBAL SCHOOL

Is a signatory of the 'School Commitment to the Sustainable Development Goals' and therefore a member of the Global Schools Program.

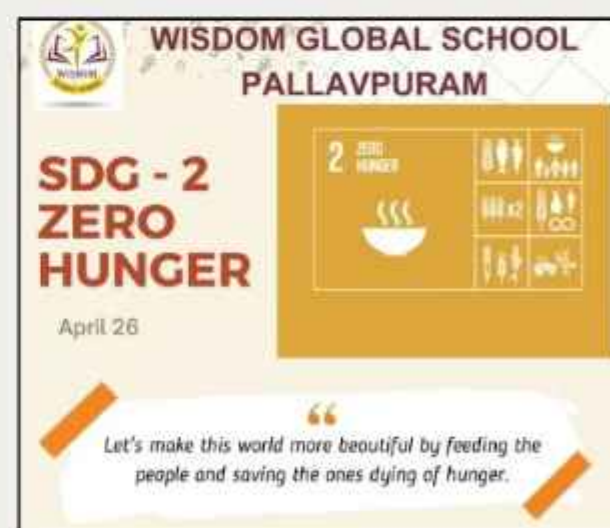

This is a non-credit certificate for institutions by the Global Schools Program to encourage primary and secondary schools to actively learn about, engage with, and take action on the Sustainable Development Goals (SDGs).

Siamak Sam Loni
Global Schools Program

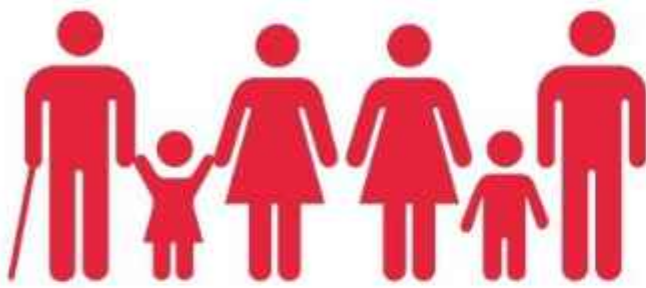

Sustainable Development Goal - 1 calls for an end to poverty in all its manifestations by 2030. It also aims to ensure social protection for the poor and vulnerable, increase access to basic services and support people harmed by climate-related extreme events and other economic, social and environmental shocks and disasters.

" IF you cannot feed a hundred people, then feed just one " - Mother Teresa Students of Grade 7A conducted a wonderful assembly on SDG-2 i.e. ZERO HUNGER !

SDG-3 This goal addresses all major health priorities: reproductive, maternal, newborn, child and adolescent health; communicable and non-communicable diseases; universal health coverage; and access for all to safe, effective, quality and affordable medicines and vaccines.

Showcasing the importance of good health, a special assembly was conducted by Grade 2A on 4th May'24 wherein the students participated enthusiastically. There was a role play displaying the benefits of healthy food and harmful effects of junk food. The role play was followed by a beautiful song on healthy living.

SPECIAL ASSEMBLY BY GRADE- 2A
SDG-4 QUALITY EDUCATION

Special Assembly on SDG-4 Conducted by Grade 2

The theme of the assembly was "Quality Education (SDG-4)" and the students showcased their talents and creativity through a role-play and a poem.

The assembly began with a thought-provoking role-play titled "Learning is Fun." The role-play highlighted the importance of quality education in shaping young minds and empowering them to become responsible citizens.

SPORTS ACHIEVEMENTS

Achievement in Rollball Championship 2024

We are proud to announce that our students Drishti (Grade 6), Nipun (Grade 8) and Shourya (Grade 8) showcased remarkable talent at the Rollball Championship 2024, held in Ghaziabad, Uttar Pradesh, from 18th to 20th October. Representing the Meerut team, they earned silver medals in both the Under-17 Girls and Under-17 Boys categories.

Their dedication and hard work have brought pride to the school, and we congratulate them on this fantastic achievement!

Achievement in Roller Skating Championship 2024

We are proud to announce that our students Muktansh (Grade 5), Prabal (Grade 6) showcased remarkable talent at the Roller Skating Championship 2024, held in The Aaryans School, Uttar Pradesh.

Their dedication and hard work have brought pride to the school, and we congratulate them on this fabulous achievement!

PARENTS INTERACTION

Happy
Grandparents Day

Grandparent's Day Celebration

We celebrated the love and wisdom of our grandparents at Wisdom Global! Our students showered them with affection through sweet video messages, straight from the heart and handmade cards, crafted with love and care. We're grateful for the special bond between our students and their grandparents!

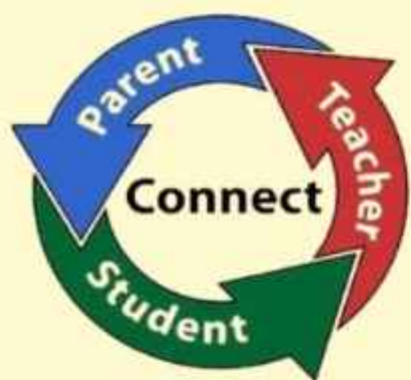

Mother's Day

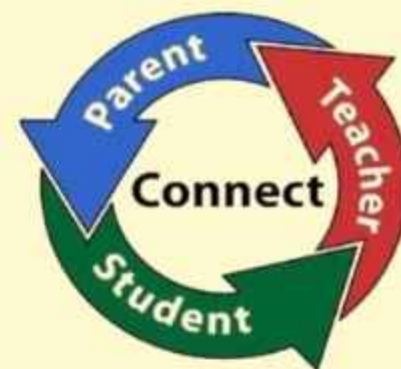

Mother's Day was celebrated with immense joy and enthusiasm at our school, creating beautiful memories that mothers and their children will cherish forever. The highlight of the event was a heartwarming non-fire cooking activity, where mother-child duos worked together to create delicious and innovative recipes.

Parent-Teacher Conferences

Empowering Partnership for Student Success!

As Wisdomites, we believe in the tri-dimensional approach - Parent-Teacher-Student - fostering collaborative growth.

We appreciate our parents' enthusiastic participation & our dedicated teachers' efforts!

Together, we're shaping young minds & building a brighter future.

ORIENTATION PROGRAM

WGS PALLAVPURAM- NEW PARENTS ORIENTATION

The Parents' Orientation on April 6, 2024, was an unequivocal triumph! Parents immersed themselves in our curriculum, teaching methods, and extracurriculars, making the event both enlightening and captivating. We eagerly anticipate a successful school year ahead, buoyed by the unwavering support of our dedicated parents.

The orientation culminated with a resounding success, leaving an indelible mark on all participants.

"Learning is a treasure that will follow its owner everywhere."

Opening up to new beginnings, Wisdom Global School Modipuram organized a Staff Development Workshop on June 19, 2024 for the faculty members to embrace deeper knowledge and ignite a flame to learn within.

Ms. Seema Malik, an eminent Resource Person for CBSE Workshops, an accomplished educationist, mentor, persuasive communicator was the keynote speaker for the orientation programme. She gave a deep insight on the topics- Art Integration, Classroom Management and Collaborative learning. The participants gained deeper knowledge on the topics- Happy Classrooms, Experiential Learning, Professionalism in the Workplace. A detailed discussion on solutions to various classroom issues was also done. The session outlined the need to enhance, update and upgrade knowledge and skills of the participants.

INVESTITURE CEREMONY

The Investiture Ceremony 2024, a significant milestone in our institution's journey, This prestigious event witnessed the official induction of elected student leaders, symbolizing their commitment and responsibility towards upholding the values and vision of our community. Moreover, our meritorious students were felicitated with the Scholar Badges for their exceptional performance in the academic year 2023-24.

PHYSICAL EDUCATION AT WGS

BASKETBALL

FOOTBALL

Physical Education is a major part of our school curriculum. Students enjoy a variety of Sports like Football, Basketball, Swimming, Yoga, Aerobics, Badminton, Drills and Races. These sports not only build up the students' strength and stamina, but also help them develop team spirit, self esteem, discipline, emotional fitness and much more.

PHYSICAL EDUCATION AT WGS

KARATE TRAINING

KARATE TRAINING - WISDOM GLOBAL SCHOOL

Our Students are deeply passionate about sports, participating in a wide range of activities across all grades.

With a focus on skill development and teamwork, the school has seen notable achievements in past years in inter-school competitions, supported by modern facilities and dedicated coaching. This commitment to sports reflects the school's holistic approach to education, nurturing well-rounded individuals.

The introduction of karate adds another dimension to the school's sports program, providing students with an opportunity to develop discipline, focus, and physical fitness.

SKILL DEVELOPMENT CAMP

Summer

Kindergarten Superstars Shine Bright at our Skill Development Camp!*

Our camp was an absolute blast as our little ones dove head first into the world of creativity and fun!

With DIY Activity, our budding artists crafted their very own Horse puppet masterpieces, unleashing their imagination and bringing their creations to life! And that's not all!

In our Clay Modelling Activity, the kids molded adorable ducks, snails, and flowers with their tiny hands, transforming lumps of clay into beautiful works of art!

Early Years Skill Development Camp was full of fun and excitement. Our tiny tots dived into the Splash Pool, enjoyed the delicious Mango Delight, and relaxed during Movie Time.

It was a blast of learning and fun!

On August 15, 2024, We celebrated India's 78th Independence Day with great enthusiasm. The event began with the flag hoisting and the national anthem, followed by cultural programs including a role play on the theme - VIKSIT BHARAT. Patriotic songs , speeches and dances resonated throughout the school, honoring the sacrifices of our freedom fighters. The Role play by the Middle Wing students highlighted the struggle by our great freedom fighters.

The principal's address emphasized the importance of democracy, equality, and justice and Viksit Bharat 2047. The words of wisdom by the Hon. Managing Director, Mr. Amar Ahlawat, guided the students to understand the importance of a free and developed nation.

The celebration concluded with students reaffirming their commitment to contributing to the nation's growth with the slogans of 'Vande Mataram' and 'Jai Hind.'

Teacher's Day Celebration

Teacher's Day is a day dedicated to honouring and appreciating the hard work and dedication of teachers. Teachers are the unsung heroes who selflessly invest their time, energy, and skills in educating and nurturing the next generation.

Teacher's Day was celebrated with great pomp and grandeur. Students of the middle wing did a marvellous job in organising the program. There were innumerable presentations by students like dances, mimicry show, roleplay, etc. Each of the faculty was given a title as a token of gratitude to show the acknowledgement and recognition of their hard work.

Dussehra Celebration

Our little ones had a blast celebrating Dussehra with a twist of fun and learning! Our Pitter Patter and Nursery students enjoyed a Dussehra-themed game of "Pin the Tail on Hanuman", while our Jr. Prep and Sr. Prep students were treated to a spectacular enactment of the Ramayana by our talented Grade I and II students! The excitement didn't stop there! Our Jr. Prep and Sr. Prep students also showcased their dancing skills with a thrilling performance! We're so proud of our little warriors for making Dussehra celebration so special!

Diwali Celebration

Wisdom Global School came alive with festive cheer as we celebrated the joyous festival of Diwali. The day began with a special assembly led by Grade 4 students, who shared inspiring messages about the significance of Diwali and showcased performances reflecting the themes of light, unity, and happiness. Adding a creative touch, students from Grades 6 to 8 participated enthusiastically in a Bandhanwar Making and Rangoli Competition. Their artistic talents shone as they crafted intricate patterns and designs, filling the school with vibrant colors and festive spirit.

The celebrations culminated in a Diwali Pooja, where students, teachers, and staff came together to seek blessings for prosperity and happiness. It was a heartwarming event that reinforced the spirit of togetherness and cultural pride.

A Day of Fun and Adventure at Masti Zone!

Students had an unforgettable trip to Masti Zone at Venice Mall, packed with excitement, laughter, and bonding! The day began with high-energy activities at the Trampoline Park, where the kids bounced, flipped, and unleashed their inner gymnasts. Their enthusiasm was contagious, setting the tone for the adventures ahead.

Visit to Venice Mall

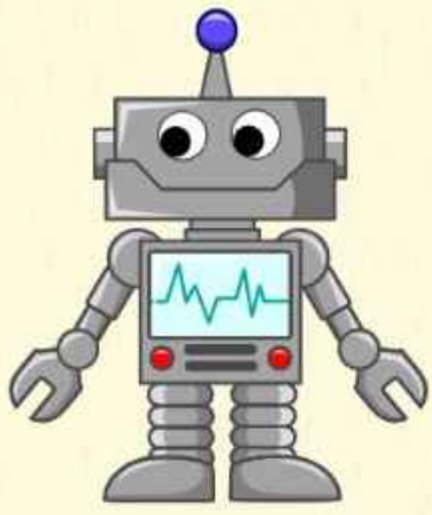

Visit to Gurudwara and Augharanath Temple

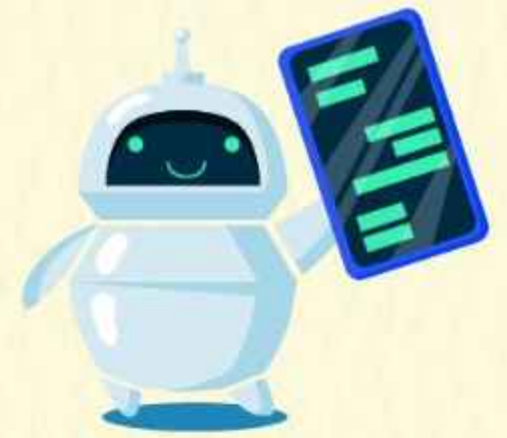

Exploring Faith and Harmony: A Memorable Field Trip

On 16th November 2024, the young and curious minds of Grade 1 embarked on an enlightening journey to the historic Augharanath Temple and the serene Gurudwara. This field trip aimed to introduce our little ones to the essence of India's rich cultural and spiritual heritage.

GuestTalk

CODING, ROBOTICS & AI

**Empowering Future Innovators:
Guest Talk by Stemrobo Technologies**

We were thrilled to host a dynamic guest talk by Stemrobo Technologies for our eager students of Grades 5 & 6. The session was an eye-opener into the world of technology, providing our young learners with hands-on exposure to cutting-edge concepts like 3D designing, Artificial Intelligence, Coding, and Robotics.

CYBER SECURITY

Guest Talk on Cyber Security by Inspector Braj Kishore

The session aimed to raise awareness among students about the importance of cyber security in the digital age. Inspector Kishore shared valuable tips on staying safe online, recognizing potential cyber threats, and responsibly using social media and digital platforms.

Students actively engaged in the discussion and gained a deeper understanding of the measures to protect their personal information in cyberspace.

HEALTH CHECK UP

A comprehensive health checkup was conducted for our young learners from Grades Pitter Patter to Grade I. Our tiny tots underwent height and weight measurements, and had their dental and eye health checked by our dedicated team.

Ensuring the well-being of our students is our top priority, and these regular checkups help us monitor their growth and detect any potential issues early on. A big thank you to our health professionals for their excellent care!

MONTHWISE CELEBRATIONS

Important Days in 2024

2024

January To December

HAPPY HANDPRINT HEAVEN

Little Hands, Big Creativity!

Our Early Years students boomed at our Happy Handprint Haven Activity!

From tiny tots to curious learners, each class created their own unique masterpieces. We spotted beautiful butterflies, proud kings, and many more adorable handprint art pieces! We're beaming with pride seeing our little artists express themselves and showcase their creativity.

CRAFTY CARNIVAL

Unleashing Creativity at Our Crafty Carnival!
Our talented young artists had created beautiful crafts with the guidance of their mentors!
Our children's imagination and creativity knew no bounds!

We're so proud of our little crafters for showcasing their artistic skills and taking home their wonderful creations!
A big thank you to our mentors for helping our children unleash their creativity!

HEALTH CARE DRILL

World Health Day - Kids' Health Care Drill

In celebration of World Health Day, children participated in a special health care drill aimed at promoting good hygiene. The event began with children having their heights measured.

Engaging activity focused on **Teeth Cleaning Activity**, where children learned the importance of brushing their teeth properly through a hands on demonstration.

To reinforce the concept of cleanliness and germ prevention, children participated in a **Germs Cleaning Activity**. Using safe and child-friendly cleaning supplies, they learned how to properly disinfect surfaces and objects to eliminate germs.

BAISAKHI CELEBRATION

Our kindergarten kids had a blast celebrating Baisakhi!

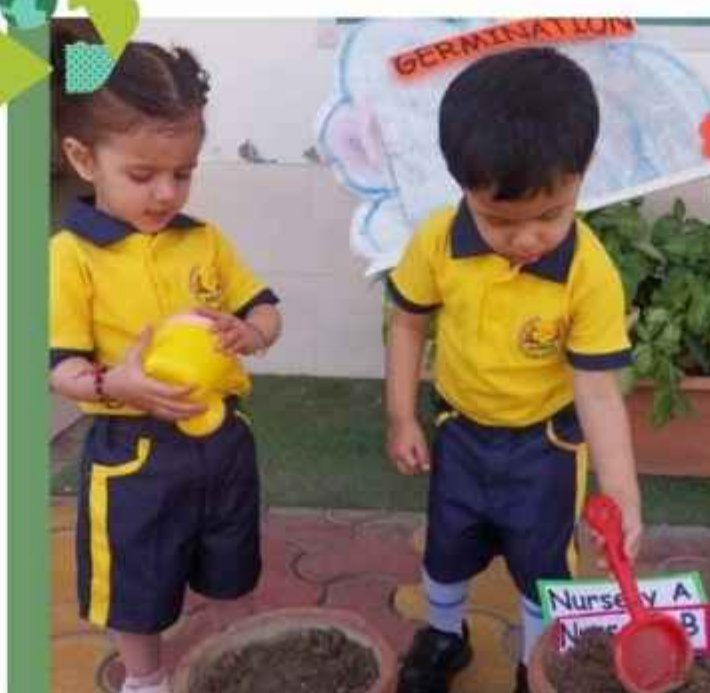

From colorful craft activities to learning about the festival's significance, it was a day filled with fun and learning. Our little ones were adorable in ethnic wear, their charm and cuteness were simply irresistible, captivating everyone's attention.

EVENTS

GERMINATION GALA

Fun Activities

The early years students enjoyed seed sowing activity as a part of their experiential learning on the occasion of EARTH DAY..

Students filled tiny pots with soil, sowed the seeds & watered them. They were also told about the essential things needed for the growth of plants i.e., sunlight, air & water.

Germination of Seeds activity was an enriching experience for the kids.

BRANCHING OUT TOGETHER

Branching Out Together Activity

Rooted in Love, Branching Out Together!

Our students brought a piece of home to school - family photographs! As part of our Branching Out activity, they created their own class trees, connecting their family members and learning about each other's loved ones. This heartwarming activity helped our students develop a sense of belonging, empathy, and community. We're proud of our little family ambassadors!

CAMPUS EXPLORATION DAY

EXPLORING OUR HOME AWAY FROM HOME!

Our students had an amazing time exploring every nook and corner of our school campus on our Campus Exploration Day!

They discovered the different areas of our school, from classrooms to playgrounds, and met the wonderful people who work tirelessly behind the scenes to make our school a happy and safe place.

Our young explorers learned about the various roles and responsibilities of our school staff, from teachers to administrators, and even our support staff!

SOAP SPLASH MISSION

"Our students had a blast learning about hand hygiene through our interactive Soap Splash activity! With glitter powder, soap experiments, and bubble magic, our young learners discovered the importance of washing their hands to get rid of germs. They even sang fun handwashing songs while scrubbing and wiping! We're proud of our students for taking the first step towards developing good hand hygiene habits!"

BRUSH A PALOOZA

GRADES- PRE-NURSERY TO SR.PREP

BRUSH -A-PALOOZA

Our kids had a blast at our recent Brush-a-Palooza Activity!

The students got hands-on with a giant model of teeth and a toothbrush, learning the proper brushing technique in a fun and interactive way. We also discussed which food keeps our teeth strong and which ones to avoid. Remember, brushing twice a day is key to a bright, healthy smile!

Vehicle Vertex

Our Early Years hosted an exciting "Show & Tell Competition" centered around the theme of vehicles. This was designed to help our young learners express themselves while building confidence in public speaking.

For the competition, students brought their favorite toy vehicles from home, ranging from sleek cars and sturdy trucks to colorful buses and soaring planes. With immense enthusiasm, each child took the stage to speak about their chosen vehicle—its name, features, and why it was their favorite.

This fun-filled activity was not just about vehicles—it was an opportunity to enhance vocabulary, nurture curiosity, and develop communication skills in a supportive environment. The joy on their faces and the pride they felt in their presentations were truly heartwarming!

VEERON KI GATHAEN

Once Upon a Time #storytelling Session with the incredible Ms. Roopali Lakhani - out of the book_by_roopali, transported our young learners to captivating world of adventure and wonder.

From the Bear Hunt to the Very Hungry Caterpillar, the joy and excitement on our kids' faces was simply priceless!

We'll continue cherishing these enchanting memories and the imagination of our children through the power of storytelling.

After diving into the enchanting stories with the story teller, our young adventurers took a moment to reflect on their magical journey.

From the lessons learned to the characters they cherished, their reflections were as diverse and colorful as the tales themselves!

THREAD OF LOVE

WISDOM GLOBAL SCHOOL
PALLAVPURAM

THREAD OF LOVE (TREASURE HUNT)

"Raksha Bandhan celebrates the bond of love, trust, and protection."

GRADES- PRE-NURSERY TO SR. PREP

We had an incredible time with our Raksha Bandhan Theme- Treasure Hunt!

The kids enjoyed solving clues and discovering hidden treasures, adding an extra layer of excitement to the festival.

Children created beautiful, unique Rakhis using colorful threads, beads, and more. The storytelling session brought the Raksha Bandhan story to life with engaging visuals, making it a memorable experience for everyone.

JANMASTHTAMI CELEBRATION

Celebration of Little Kanha's Birthday

Our Early Years team organized a joyous celebration for our Little Kanha's birthday, and it was nothing short of magical!

The school was filled with vibrant colors as our young Wisdomites wore beautiful Krishna, Radha, and traditional outfits. The corridors came alive with enchanting tableaux depicting the life of Krishna, captivating our kids with visual storytelling. The enthusiasm and fervor were truly evident, making it a memorable celebration for all!

TINY TROOPERS FITNESS FUN

Happy National Sports Day!

We celebrated this special day with our tiny troopers in a fun-filled way. Our kids participated in an exciting array of games, including:

💰 Money in the Bank

🏰 Glass Tower Challenge

🐢 Turtle Race

🏹 Pluck the Sticky Ball

And many more!

Our young champions showcased their skills and teamwork and fully enjoyed the Tiny Troopers Fun Games.

SWEET SURPRISE FOR SUPER TEACHERS

🍷 "Teacher's Day Celebration" 🍷

As we celebrate Teacher's Day on Thursday, 5th September 2024, we're reminded of the profound impact teachers have on our lives. The theme "Sweet Surprise for Super Teachers" is a good time for our students to show appreciation for their educators.

JUNGLE SAFARI

**Our Jungle Safari Day was a
WILD hit!**

Pre-Nursery & Nursery students crafted adorable animal masks, while Junior Prep classes went on an exciting scavenger hunt. Senior Prep students grooved to jungle beats and mimicked animal sounds. The school-wide Jungle March brought everyone together, showcasing creative costumes. Thank you to our talented students, dedicated teachers, and supportive parents for making this day unforgettable!

SEASONAL FRUIT DRILL

Seasonal Fruit Drill

We celebrated the arrival of seasonal fruits! Our little ones had a blast learning about and sorting different fruits.

Sr. Prep sorted one-seeded and many-seeded fruits

Jr. Prep identified peel-eatable and unpeel-eatable fruits

Nursery & Pre-nursery enjoyed fruit matching fun activity.

Students rocked with their favorite fruit headbands, adding to the excitement!

CHILDREN'S DAY

Children's Day was a joyful celebration of fun, laughter, and camaraderie! We kicked off the day with a special assembly, where teachers delighted the students by performing skits, songs, and dances.

Our Senior Prep kids had an absolute blast at Gandhi Bagh, participating in fun races, exciting activities, and dancing with their teachers. Tattoo art stole the celebration!

Fun didn't stop here, our tiny tots from Pitter Patter to Jr. Prep enjoyed Parachute, Fun games, and various activities like Paper crumpling & tearing/pasting. The fun continued with a spirited tug-of-war and an action-packed basketball match between teachers and students of Grades VI - VIII.

For our younger students in Grades 1 to 5, we had a delightful movie time where they watched a fun, age-appropriate film and relaxed with their friends, creating a cozy and joyful atmosphere.

LABOUR DAY CELEBRATION

Grades 1-5 learners created special gratitude cards for the 'didis' in our school. Students expressed their thanks and admiration through heartfelt messages and colorful drawings, honoring the hard work and dedication of these remarkable individuals. It was a day filled with the purest forms of gratitude, kindness, and the joy of giving back. The tiny tots' tribute added an extra touch of innocence and sweetness to this meaningful day, showcasing the spirit of gratitude that thrives at Wisdom Global School.

HAPPY HALLOWEEN

Spooky Halloween Fun

Our students of Kindergarten and grade 1 and 2 transformed into little Ghouls, Ghosts, and Goblins, Vampires, Zombies, Wizards, Scary Cats, Corpse Brides, Grim Reapers, Evil Clowns, Tale Witches, filling the halls with spine-chilling excitement! Dressed in creative Halloween costumes, they brought their favorite spooky characters to life, adding an extra dose of thrill and fun to our school atmosphere. The kids had a howling good time playing fun game

Zombie Eyeball Toss, Spooky Storytelling Ramp Walk and Monster Mash Dance

The event was filled with smiles, laughter, and just the right touch of spookiness, creating memories that will last a lifetime. We're proud of our young students for their enthusiasm and creativity in celebrating Halloween with such spirit!

CLEANLINESS DRIVE

"Spreading Awareness, Inspiring Change!"

Our Wisdomites embarked on a cleanliness drive, instilling valuable lessons in our young minds. Our students learned about the importance of cleanliness, hygiene, and organization.

Highlights from the event:

- Students were guided on maintaining a neat and clean study area, including bookshelf organization.
- A short march around the school premises, led by our young Gandhi ji, promoted unity and responsibility.
- Pledge-taking ceremony: Our students vowed to uphold cleanliness and inspire others to do the same!
- By sowing the seeds of cleanliness and responsibility, we're nurturing a brighter, more sustainable future for our children!

CAS DRIVE

We had the privilege of visiting Jyoti Niwas Orphanage with our students to share the joy of the festival and encourage the spirit of kindness, sharing, and compassion. This visit was more than just an experience; it was a chance for our students to connect with others, learn about empathy, and understand the profound impact of small acts of giving.

मेरठ महोत्सव

VIRTUAL REALITY

Meerut Mahotsava 2025: A Cultural Extravaganza at Victoria Park

The vibrant city of Meerut came alive with colors, music, and traditions as the much-awaited Meerut Mahotsava 2025 was held at the iconic Victoria Park. This grand cultural festival celebrated the city's rich heritage and diversity, drawing visitors from across the

Christmas Celebration

Delving into the spirit of season, We celebrated Christmas with great fervour and enthusiasm. Students showcased their talents by presenting the Nativity play, followed by Christmas carols and dance.

On 28th Dec 2024, Wisdomites held a STEAM exhibition. The event was organized by the students of Grades I - VIII. The exhibition aimed to display the comprehension and artistic capabilities of the students covering the subjects such as Mathematics, English, History, Science, Hindi, Physical Education, Social Studies as well as Visual and Performing Arts. It was a remarkable showcase of our students Creative and Critical Thinking and Research Skills.

INTERHOUSE AND INTERCLASS COMPETITIONS

TRADITIONAL HERITAGE COMPETITION

Celebrating World Heritage Day in style!

On the occasion of World Heritage Day, our Early Years team hosted a spectacular Traditional Heritage Attire Competition, showcasing the vibrant cultures and traditions from around the nation. Our little ones dazzled us with their colourful dresses, creativity and love for the country's cultural diversity.

DANCE FUSION

Our Early Years rockstars brought the house down with their energetic moves at our Dance Fusion Activity!

Our little dancers participated with infectious enthusiasm, showing off their best disco, hip-hop, and pop moves!

Witnessing our little ones blossom through 🎵 music and dance 🕺 is a true delight!"

HEROES OF INDEPENDENCE DAY

Saluting the Heroes of Independent India!

Our tiny patriots celebrated the spirit of independence by dressing up as their favorite freedom fighters and national leaders!

From Mahatma Gandhi to Rani Lakshmi Bai, our kids embodied the courage and determination of India's heroes. The event encouraged our young learners to explore the lives and contributions of these iconic figures.

A big round of applause to our winners, who were judged on their appearance, patriotism, and confidence!

KAVITA GAYAN PRATIYOGITA

In honor of Hindi Diwas, WGS proudly hosted a Kavita Gayan Pratiyogita (Hindi Recitation Competition) on the theme "Adbhut Prakriti."

The event was a vibrant display of our students' talent and passion for the Hindi language. With innovative props and expressive performances, our students brought their recitations to life, making the occasion both educational and entertaining. Their dedication and creativity made Hindi Diwas truly special!

MATHEMATICAL SUDOKU COMPETITION

The Sudoku competition is an engaging and intellectually stimulating event designed to challenge participants' logical thinking and problem-solving skills. This competition provides a platform for puzzle enthusiasts to showcase their talent and compete in a fun yet competitive environment.

POSTER MAKING COMPETITION

To celebrate the World Environment Day, Wisdomites conducted Poster Making Competition on 22-04-2024, Monday where the students of grades 1-5 showcased their creativity and passion for environmental conservation. Through their art, students not only raised awareness about pressing environmental issues but also inspired others to take action.

SOLO DANCE COMPETITION

A Solo Dance Competition provides a vibrant platform for individuals to express their creativity, talent, and passion for dance. Participants showcase their skills through various dance styles, including classical, contemporary, folk, hip-hop, and fusion, reflecting their unique artistry and flair.

INTER HOUSE EXTEMPORE COMPETITION

WGS proudly hosted the Interhouse Extempore for grades 6-8, along with Intraclass Extempore for grades 1-5, on July 18, 2024. The event was a platform for the students to demonstrate their exceptional oratory skills and think on their feet. Participants engaged the audience with their eloquence and creativity, making it a truly memorable and enriching experience for everyone involved. The enthusiasm and talents displayed were inspiring, highlighting the school's commitment to fostering confident communicators.

INTER CLASS PATRIOTIC SKIT COMPETITION

The event designed to celebrate the spirit of our Nation and to honor the ideals of freedom, unity and diversity. The students from grades 1-5 participated enthusiastically, bringing to life the stories of Bravery, Sacrifice and National Pride through their creative performances. The judges commended all the participants and their dedication.

The Patriotic Skit Competition was a resounding success, leaving everyone with a renewed sense of pride and love for the country.

INTER HOUSE PATRIOTIC SONG COMPETITION

The Inter-House Patriotic Song Competition was a spectacular event that brought together the spirit of unity, love for the nation, and musical excellence.

Students from all houses participated enthusiastically, showcasing their talent and creativity. The melodious renditions of patriotic songs, combined with synchronized choreography and vibrant costumes, created an atmosphere of pride and patriotism.

INTERHOUSE GRAPHICS POSTER DESIGNING

On 20 Dec 2024, the young minds of Wisdom Global School showcased their artistic flair in Interhouse Graphical Poster Making Competition (Grades III to VIII)

🎨 Students unleashed their imagination and expressed thought-provoking ideas through vibrant and meaningful posters.

HINDI SULEKH PRATIYOGITA

On 20 Dec 2024, the young minds of Wisdom Global School showcased their artistic flair in

★ Sulekh Pratiyogi (Grades I & II)

✍️ The little ones demonstrated their beautiful handwriting skills with neatness and precision, leaving everyone impressed!

INTERHOUSE CHESS COMPETITION

On 19 Dec, 2024 our young Chess enthusiasts from Grades VI- VIII showcased their strategic brilliance in an intense Inter-House Chess Competition! 🧠

♟️ The event was a true battle of wits, with each participant demonstrating focus, patience, and sportsmanship.

INTER HOUSE MATHEMATICS QUIZ

Interhouse Mathematics Quiz: Fostering Analytical Minds

The Interhouse Mathematics Quiz was a thrilling battle of wits and numbers as students from all four houses showcased their mathematical prowess and problem-solving skills. The event aimed to encourage logical thinking, teamwork, and a love for mathematics among students.

POSTER MAKING COMPETITION

World Conservation Day Celebration

WGS celebrated World Conservation Day with great enthusiasm and fervor. The event aimed to raise awareness about the importance of conservation and promote environmentally friendly habits among our students.

Students showcased their creativity and talent by designing posters with innovative slogans and messages. The competition encouraged students to think critically about environmental issues and come up with solutions.

"Our school is committed to promoting environmental awareness and sustainability. The World Conservation Day celebration is a step towards inspiring our students to become responsible citizens and take action towards protecting our planet."

INTERHOUSE DRAMATICS COMPETITION

Interhouse Dramatics Competition: A Spectacular Display of Talent!

The students of all the four houses showcased their creativity, passion, and powerful performances.

From thought-provoking dramas to light-hearted comedies, each house delivered outstanding performances that showcased not only the acting prowess of our students but also their teamwork, dedication, and love for the arts. The audience was left spellbound by the incredible stage presence, creative scripts, and stunning props.

The competition was tough, but the real victory lies in the incredible learning experience and camaraderie shared by our talented students.

JANMASHTMI CELEBRATION - INTERHOUSE MATKI FOD COMPETITION

Lord Krishna is a symbol of divine love, wisdom, and strength. His teachings in the Bhagavad Gita provide timeless guidance on living a life of purpose and righteousness. His life and leelas inspire us to embrace love, courage, and spiritual wisdom in our own lives.

Showcasing the significance of Janamashtmi, Students from grade 1-5 performed role plays to depict the different life stages of Lord Krishna.

Students presented their skits wonderfully which were appreciated by the entire school community.

SPECIAL ASSEMBLIES

DR. B.R. AMBEDKAR JAYANTI

Dr. B.R. Ambedkar is one of the Pioneer architect of Indian constitution who not only shaped the future of India but also took a leap to create a society with equality and justice as its key elements. Wisdom Global School salutes him for his outstanding contribution and in his honour celebrated his jayanti with full zeal and enthusiasm.

FRENCH ASSEMBLY

The theme of the assembly was "L'importance de la langue française" (Importance of the French Language). This day provides an opportunity to explore more about French Language. This helped the students to connect to the cultural tradition that is widely followed in a foreign land. The French students presented the song "Bonjour Bonjour" et " Si tu ".

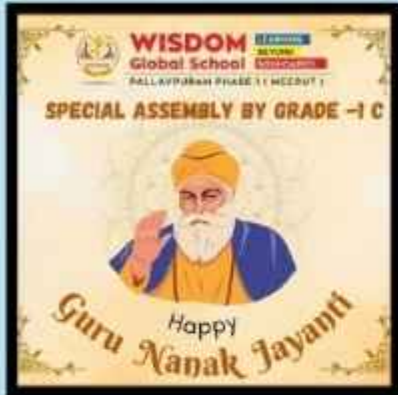

bonjour

SPECIAL ASSEMBLIES

GURU NANAK DEV JAYANTI

Guru Nanak Jayanti, also known as Gurburab, is the most important festival for the followers of the religion of Sikhism. It is celebrated to commemorate the birth anniversary of the first Sikh Guru, Guru Nanak Dev.

Student of Grade 1 C of Wisdom Global School organised a special Assembly on Guru Nanak Devji Jayanti on 13th November 2024.

Students offered their prayers in Prabhat Pheri & sang Shabad.

Students enjoyed a lot and learned about teachings of Guru Nanak Dev Ji.

QUIT INDIA MOVEMENT

Grade 8 students took a powerful walk down history lane during their assembly with a compelling street show on the Quit India Movement. Their performance brought the spirit of India's freedom struggle to life, vividly portraying the courage and determination of those who fought for our independence. The students' passionate enactment served as a poignant reminder of the sacrifices made for our freedom, leaving everyone inspired and proud of our nation's history.

STUDENTS' CORNER

BIODIVERSITY

The academic session 2024-25 has been full of learning, memorable experiences. One of the important lessons we've focused on this year is about biodiversity and its importance in our lives.

Biodiversity is the variety of life around us, from the smallest insects to the tallest trees, and it plays vital role in maintaining balance in nature. This year, we've learned how every species, no matter how small contributes to the health of our planet. Whether it's bees pollinating flowers or trees providing oxygen, each part of nature is interconnected, and the loss of one can affect many others. These discussions have inspired us to think about ways to protect the environment. Simple actions, like planting trees saving water, and reducing waste can make a big difference. It's a reminder that even as students, we can play an important role in preserving nature's beauty for future generations.

YUVRAJ
VIII-A

As I reflect on my time at Wisdom Global School, I am filled with gratitude for the memories and friendships that will last a lifetime. These years have been a mix of hard work, laughter, and growth. From the excitement of first days to the challenges that shaped me, every moment has taught me something valuable.

Whether it was late nights studying for exams, cheering or playing at sport events, or just having fun with teachers and friends, every experience has made this year unforgettable. I am really grateful for the support and encouragement from my teachers especially my maths teacher/form tutor (Ms. Anuja) who have always been there, helping and encouraging me to do my best also HM ma'am (Ms. Taneja) for encouraging and supporting me since I joined the school when I became the IT HEAD and didn't know much about it, she helped me a lot.

Looking forward, I'm excited to take on the next chapter of my journey. I will miss this school, my friends, and my teachers. I know that the lessons I've learned here will guide me as I move forward.

Thank you to each and everyone who has been a part of this incredible journey. I am so attached to this school even though it was my first and last year here. I'll always carry a piece of Wisdom Global School in my heart Wherever I go.

Biodiversity : Climate Change

Biodiversity and climate change are deeply interconnected. Climate change, driven by human activities such as burning fossil fuels, leads to rising temperatures, extreme weather events, and shifting ecosystems. These changes threaten the habitats of countless species, pushing many toward extinction. On the other hand, the loss of biodiversity reduces nature's ability to adapt to climate change, as ecosystems become less resilient. Protecting biodiversity is crucial in mitigating the impacts of climate change, as healthy ecosystems can sequester carbon, regulate water, and provide vital resources for life.

ANANYA ATTRI
VII B

Biodiversity and Climate Change

Welcome the readers, today I will tell you about the given topic 'Biodiversity and Climate Change.'

Climate change is widely expected to have multiple adverse impacts on biodiversity, with negative consequences for human well-being. However, biodiversity, through the ecosystem. Services it supports, is essential to both climate change mitigation and adaptation

ARNAV BALIYAN
VI A

Climate Change

Leading the fight against climate change

Lots of obstacles that we will face

Global warming is coming soon

But we will still see the sun and moon

What about our plants and trees?

Mother earth needs some peace

On top of the trees are some honey bees

Lovely birds sweetly sing

Global warming might be near

Climate change is already here

There's a lot of things we can't resist

The lovely earth that we should kiss

Let us save our Mother nature

Let us make it in perfect structure

Life is pleasant here on earth

Don't let disaster become her birth

ISHIKA SINGH
VI A

STUDENTS' CORNER

HAPPINESS

In field of green and skies of blue.

Nature sings a joyous tune.

A symphony of vibrant hues,

Where happiness finds its debut.

From sun-kissed meadows, flowers bloom

Delighting hearts with sweet perfume

The whispering breeze, a gentle friend

Carries serenity without end.

In nature's embrace, souls are free,

Bathed in bliss beneath every tree.

Happiness, like nature's treasure,

Fills our hearts with bound less pleasure.

Title: The Power of Virtues in Shaping Lives

As headmistress of this esteemed institution, I often reflect on the essence of what truly makes a person great. Academic achievements, while important, are just one part of the equation. The foundation of a remarkable individual lies in the virtues they embody—traits that shape character, guide actions, and leave a lasting impact on the world.

What Are Virtues?

Virtues are the moral and ethical qualities that define who we are. They include honesty, kindness, respect, perseverance, humility, and compassion. These are not just ideals; they are habits we must nurture daily.

Why Are Virtues Important?

In a world full of challenges and uncertainties, virtues act as a compass, helping us navigate life's complexities. They build trust, strengthen relationships, and contribute to a harmonious community. For example, honesty fosters credibility, while kindness creates bonds of empathy and understanding.

Virtues in Action

At our school, we emphasize virtues through daily interactions, lessons, and activities. Small acts, such as helping a peer, speaking respectfully, or showing gratitude, may seem minor but have a ripple effect, inspiring others to follow.

Take perseverance, for instance. Each of you faces obstacles in academics or personal life. Embracing perseverance means never giving up, finding solutions, and rising stronger after every fall. It is this determination that builds resilience and success.

A Call to Action

I encourage every student to reflect on the virtues they practice and how they can grow further. Begin with simple steps:

- Be honest in your words and actions.
- Show kindness to everyone, regardless of differences.
- Practice gratitude for the opportunities you have.
- Respect others and their viewpoints, even when they differ from yours.

In conclusion, virtues are like seeds. With consistent nurturing, they grow into strong trees, providing shade and fruit not just to you but to everyone around you. Let us, as a community, strive to live by these principles and create a brighter, more compassionate.

MS. KIRTI TANEJA
HEAD MISTRESS

TEACHERS' ZONE

DISCIPLINE: THE FOUNDATION OF SUCCESS

As the Primary Wing Coordinator of Wisdom Global School, it gives me immense pride to reflect on the value of discipline as a cornerstone of our institution's ethos. Discipline is not merely about adhering to rules; it is a way of life that instills responsibility, fosters respect, and builds character.

This year, our students have exemplified discipline in academics, co-curricular activities, and interpersonal relationships. Be it adhering to timelines, showing sportsmanship on the field, or practicing mindfulness in their daily routines, they have demonstrated how discipline can transform ordinary efforts into extraordinary achievements.

Through various initiatives such as assemblies, workshops, and hands-on activities, we have reinforced the importance of self-discipline, time management, and ethical behavior. These skills empower our students to face life's challenges with confidence and integrity.

As we turn the pages of this yearbook, we see how discipline has shaped every aspect of our school community, paving the way for a future where our students not only dream big but also have the dedication to turn those dreams into reality.

Let us continue to uphold the spirit of discipline, nurturing well-rounded individuals who lead by example and contribute meaningfully to society.

"THE POWER OF PLAY: UNLOCKING YOUNG MINDS"

I am thrilled to share with you the importance of play in the early years of a child's educational journey. Play is often misunderstood as simply a form of entertainment, but in reality, it is a powerful tool for learning and development.

Through play, children develop essential skills such as problem-solving, critical thinking, and creativity. They learn to navigate social situations, develop empathy and self-awareness, and build strong relationships with their peers and teachers.

In our early years program, we prioritize play-based learning, providing children with a variety of opportunities to explore, discover, and learn. From sensory play to role-playing, and from art projects to outdoor adventures, we believe that play is the key to unlocking young minds.

As parents and educators, it is essential that we recognize the value of play and provide children with the time, space, and support to engage in playful learning. By doing so, we can help shape curious, confident, and creative learners who are equipped to succeed in an ever-changing world.

वर्तमान शिक्षा प्रणाली और विद्यार्थियों की जिम्मेदारी

हमारे देश की शिक्षा प्रणाली समय के साथ लगातार बदल रही है। यह परिवर्तन न केवल शिक्षा के तरीकों में हो रहा है, बल्कि विद्यार्थियों की सोच, उनकी जिम्मेदारियों और उनके दृष्टिकोण में भी बदलाव आ रहा है। आजकल के विद्यार्थियों का ध्यान केवल अच्छे अंकों लाने पर नहीं, बल्कि उनके व्यक्तिगत विकास, सामाजिक जिम्मेदारियों और नैतिक मूल्यों की ओर भी केंद्रित हो रहा है। हमारी शिक्षा व्यवस्था का उद्देश्य केवल ज्ञान का प्रसार करना नहीं है, बल्कि यह विद्यार्थियों को समाज में एक जिम्मेदार नागरिक के रूप में तैयार करना है। विद्यार्थियों को यह समझना चाहिए कि उनका कार्य केवल किताबों तक सीमित नहीं है, बल्कि उन्हें अपने समाज, अपने परिवार और देश के प्रति भी जिम्मेदारी निभानी है। आजकल के समय में जहाँ तकनीकी शिक्षा का महत्व बढ़ रहा है, वहीं विद्यार्थियों को यह भी समझना होगा कि यह तकनीकी ज्ञान समाज में बदलाव लाने के लिए है, न कि केवल व्यक्तिगत लाभ के लिए। इसके साथ ही, यह भी जरूरी है कि वे अपने पारिवारिक और सामाजिक मूल्यों को न भूलें। केवल अच्छे अंकों ही नहीं, बल्कि एक अच्छा इंसान बनना भी शिक्षा का अहम हिस्सा है। इसलिए विद्यार्थियों को चाहिए कि वे सिर्फ पढ़ाई में ही नहीं, बल्कि जीवन के हर क्षेत्र में अपने कर्तव्यों को समझें और उनका पालन करें। उन्हें यह समझना होगा कि वे कल के भविष्य निर्माण में अहम भूमिका निभाने वाले हैं।

इस परिवर्तनशील समय में अगर हमें सही दिशा में शिक्षा प्राप्त करनी है तो हमें अपनी सोच को व्यापक बनाना होगा और समाज के प्रति अपनी जिम्मेदारी को भी समझना होगा।

निष्कर्ष: शिक्षा का असल उद्देश्य केवल नौकरी प्राप्त करना नहीं है, बल्कि यह हमें जीवन जीने का तरीका सिखाती है। विद्यार्थियों को चाहिए कि वे अपनी शिक्षा का सही उपयोग करें और अपने कर्तव्यों का पालन करते हुए एक बेहतर समाज की दिशा में योगदान दें।

ARTIFICIAL INTELLIGENCE

Artificial Intelligence (AI) is a rapidly growing field that has the potential to revolutionize the way we live, work, and interact with each other. AI refers to the ability of machines to perform tasks that would normally require human intelligence, such as learning, problem-solving, decision-making, and language understanding. The development of AI has been driven by advances in computer science, mathematics, and engineering. One of the most significant applications of AI is in the field of robotics. Robots are being developed that can perform complex tasks such as assembling cars or performing surgery. These robots are able to learn from their environment and adapt their behavior accordingly. They can also communicate with humans using natural language processing technology.

BIODIVERSITY: NATURE'S BEAUTIFUL PUZZLE

As a Grade 3 Science teacher, I have the joy of introducing young minds to the wonders of biodiversity. This term, we explored how the Earth is home to an amazing variety of plants, animals, and microorganisms, each playing a unique role in maintaining nature's balance. From the buzzing bees in our gardens to the towering trees in forests, every part of biodiversity contributes to our planet's health.

Through storytelling, art, and hands-on activities like planting saplings and observing insects, our students learned how interconnected all living things are. They were excited to discover that even small actions, like saving water or avoiding plastic, can help protect this delicate balance.

It has been heartwarming to see the curiosity and love for nature bloom in our little learners. By nurturing these values, we hope to inspire them to become guardians of the environment and ensure a sustainable future for all.

FORM TUTOR III-A

वही तो शिक्षक कहलाता है

हम सब के जीवन में,
जो भी हमें कुछ अच्छा सीखा जाता है।
जी हाँ, वही तो शिक्षक कहलाता है।
अंधकार में भी जो सद् विचार,
आशा की किरण जगाता है।
जी हाँ, वही तो शिक्षक कहलाता है।
बचपन में मात - पिता का प्यार,
आचार- विचार- व्यवहार- संस्कार
दुनिया की समझ सिखाता है,
जी हाँ, वही तो शिक्षक कहलाता है।
सफलताओं के मौके पर,
जो खुशी से भावविभोर होकर
टप-टप आँसू बहाता है।
जी हाँ, वही तो शिक्षक कहलाता है।
स्कूल - कॉलेज के दिनों में,
जो दोस्त बनकर ज्ञान
अपार दे जाता है।
जी हाँ, वही तो शिक्षक कहलाता है।
जिसका शिष्य गुरु से आगे बढ़कर
नाम कमाता है,
उस शिक्षक का जीवन
सफल हो जाता है।
जी हाँ, वही तो शिक्षक कहलाता है।
जिन्दगी के हर मोड़ पर,
जो संकट में भी गले लगाता है।
हाँ, वही शिक्षक कहलाता है।

KNOW YOUR WORTH

The glories, beauties and blooming sunlight
But have you seen the darker sight?
Oh this earth!
Who gave us birth
Where people are telling me my worth.
I promise I will get up
Fly with my wings
Manipulated by no strings.
Somebody will put me down
I need to be free
To fly above the ocean and sea
Where nobody could judge the worth of me.
But if I fall back on the ground
I won't cry, but make giggling sounds
Because my thoughts are now set free
To know the worth of me.
Rose petals are shed but soon come new.
Doesn't matter if you fail, you tried something new.
So, worth can be any
But yours can only be defined by you.

MS. PRASHI JAIN

PRT ENGLISH

TEACHERS' ZONE

As teachers, we often focus on imparting knowledge and skills to our students. However, there's another crucial aspect of teaching that can have a profound impact on our students' lives i.e. **EMOTIONAL ATTACHMENT**.

Emotional attachment means the bond that forms between a teacher and the students. It's built on trust, empathy, and mutual respect. When we form strong emotional attachments with our students, we create a safe and supportive learning environment that fosters academic success, social growth, and emotional well-being.

Which certainly develops a **QUALITY EDUCATION**.

Last but not the least I would add is that Research has also shown that emotional attachment between teachers and students has numerous benefits, including:

- 1- Improved academic performance. Students who feel emotionally supported by their teachers tend to perform better academically.
- 2- Increases motivation- When students feel connected to their teachers, they're more likely to be motivated to learn and succeed.
- 3- Better social skills- Emotional attachment helps students develop essential social skills, such as empathy, communication, and conflict resolution.
- 4- Emotional well-being- A strong emotional attachment with teachers can help students develop emotional resilience, self-awareness, and self-regulation skills.

लेख - 12:00 का सच

सरदारों और 12:00 के बीच क्या है रिश्ता जिसे चुटकुला समझ कर सालों से सरदारों का मजाक बनाया जाता रहा है। इसका ताजा उदाहरण इंडिया-पाकिस्तान मैच के दौरान भी देखने को मिला। जब इंडिया पाकिस्तान के मैच के दौरान पाकिस्तान की पूर्व विकेट की पर कामरान अकमल 12 बज गए बात का जिक्र करते हुए हँसते हुए नजर आए। यह पहला मौका नहीं है। सालों से लोग इस बात को किसी चुटकुले की तरह बोलते आ रहे हैं।

क्या आप भी इस बात का मजाक उड़ाते हैं। दरअसल जिसे लोग मजाक समझते हैं, वह सिखों के गौरव और उनके शौर्य की कहानी है। इस बात का संबंध 18वीं शताब्दी से है। जब भारत पर फारस के शाह नादिर शाह ने आक्रमण किया था। मार्च 1739 में नादिर शाह की सेना दिल्ली पहुँची और उसके बाद नरसंहार हुआ। अनगिनत लोगों को मार डाला गया और महिलाओं को बंदी बना लिया गया, तो सिखों ने उन पर हमला करने और महिलाओं को आजाद करवाने की योजना तैयार की। सिखों ने रात में ही 12 बजे उनके शिविरों में जाने का फैसला किया। इस दौरान वे गोरिल्ला रणनीति अपनाकर 12:00 बजे हमला करके महिलाओं को नादिर शाह के चंगुल से बचाते थे। लेकिन समय के साथ-साथ, कुछ लोगों ने "12 बज गए" को मजाक के रूप में इस्तेमाल करना शुरू कर दिया।

सिखों ने हिंदू बहू बेटियों को छुड़वाने का अभियान चालू कर दिया। ये एक तरह से सिखों का गोरिल्ला अभियान बन गया था। मुस्लिम अब्दाली के इस आतंक से बचने के लिए महिलाओं ने सिखों के सामने अपनी रक्षा के लिए अपने हाथ फैलाए थे। इसके बाद सिख जरनैल बाबा जस्सा सिंह और आहलूवालिया ने रात को 12 बजे अटैक किया था। ऐसा कहा जाता है कि इस अटैक के जरिए सिखों ने 2200 लड़कियों को बचाया था और उन्हें उनके घरों तक सुरक्षित पहुँचा दिया था। इसके बाद सिख जरनैल 12 बजे ही अत्याचार के खिलाफ मोर्चा खोलते थे। इस अभियान के बाद मुगलों में सिखों को लेकर दहशत फैल गई थी। अब्दाली जैसे आक्रांताओं में ये खौफ फैल गया कि '12 बज गए हैं, सावधान हो जाओ।' क्योंकि जब 12 बजते थे, सिख बहू-बेटियों की रक्षा करने के लिए निकल जाया करते थे। आशा है कि अब आप सभी सिखों के इतिहास के बारे में जान गए होंगे और उनके 12:00 का मजाक नहीं उड़ाएँगे। 🙏

NATURE

Beauty is the thing of nature Which is given by
creature
It shouldn't be seen from the face, It in the heart
which you can trace It is inside everyone
May not be seen by someone You look for it in the
west or east Where as you can find it in the beauty
and the beast
It can be seen in trees
In the flowers and the leaves You can see it in
yourself
And the things around ourself There is no need to
search
It is in the world.

A TEACHER'S WISH

I hope that the days come easy and the moments pass
slow, And each road leads you where you want to go,
And if you are faced with a choice, and you have to
choose,
I hope you choose the one that means the most to you.
And if one door opens to another door closed,
I hope you keep on walking till you find the window,
If it's cold outside, show the world the warmth of your
smile,
But more than anything, My wish, for you, is that this
life becomes all that you want it to, Your dreams stay
big, and your worries stay small. You never need to
carry more than you can hold, And while you are out
there getting where you are getting to, I hope you
know somebody loves you.
And wants the same things too.

Parents are very important **PILLARS** for a child, never let them weaken.

These children are lucky whose **PARENTS**, live with them.

Children are always successful in life, if the blessings of their parents remain with them.

We can describe parents as:

P – Perfect, Pure love

A- Affection

R- Respected

E- Encourage

N- Navigate

T-Trust

S- Supportive

TEACHER IS A SECOND MOTHER

Children are like wet clay, they are moulded with all that is taught to them. In today's world of nuclear families and working parents, children get very less time to spend with parents and family.

Parents thus send their children to school to make them responsible to learn to judge right and wrong and how to behave well.

Children spend quality time in school than at home. A teacher motivates her/his students towards a better growth. Teacher makes children feel that they are safe enough and never let fear be the image but love.

It is the teacher who corrects the children when they go wrong as they would do in regards of their own children.

The teacher plays an important role in shaping the future of the children under her care. To conclude, teacher plays a vital role in child's life and thus teacher is child's second mother.

Childhood is one of the most beautiful phases of human life. It is a time of discovery and exploration. At this stage, we learn about the world and ourselves. As kids, we understand as an endless adventure with infinite possibilities. It is important to create a healthy and happy childhood. Moreover, childhood is a time of innocence and wonder. Activities such as playing, exploring, and simply being a kid are special because they are all a part of the carefree nature of childhood. "Childhood is a collection of life's most precious moments."

TINY TOTS JOURNEY

"As tiny tots, they learn and grow, Like seeds in a garden, row by row. With patience and care, we guide their way. Building their future day by day. Through every question, every try, We teach them to reach for the sky. In their eyes, the spark of light, A teacher's joy, a pure delight."

WHAT IS KINDNESS?

Kindness is caring that springs from compassion.
We have genuine concern for the welfare of others.

We are warm, friendly and ready to help.
We listen to the needs beneath the words.
We give tender attention in simple ways that bring others happiness.

Kindness is the daily bread of love.
When we feel angry, we resist the temptation to be cruel.

We balance honesty with tact.
We are good stewards of the earth and all living things.

We remember to be kind to ourselves.
When we fill our own cup, our kindness overflows to others.

Beyond the classroom, teachers partner with parents, sharing milestones and working together to nurture the whole child. They are the bridge between home and school, ensuring each child's first formal learning experience is both positive and enriching.

You walk through the door and are transported to a place where children and literacy can blossom. The space isn't big, but every inch is being utilized thoughtfully is a classroom library in the corner with labeled baskets of books and some cool chairs that make you want to curl up and read. On the walls are charts made by the students and teacher that show what they've been learning. There's an area for whole-group teaching and a separate space with a table for small-group teaching. This room is a place where the teacher works to meet the needs of all students in a variety of instructional settings, including whole group, small group, one-on-one, partner work at stations, and cooperative groups. It's a place where children are valued."

Mathematics: A Journey of Logic and Creativity

As the mathematics teacher for classes VI to VIII, this academic year has been a remarkable journey of growth, exploration, and achievements. The students were engaged in numerous hands-on activities like math puzzles, model-making, and real-life problem-solving exercises that brought theoretical concepts to life. To foster teamwork and critical thinking, we organized interclass math quizzes and participated in math olympiads, where our students secured commendable ranks, showcasing their analytical prowess.

One of the most cherished moments was introducing "Math in Nature," where students explored mathematical patterns like symmetry, fractals, and Fibonacci sequences in the natural world. These activities not only enriched their learning experience but also deepened their understanding of the connection between mathematics and the world around them.

Additionally, the integration of technology into our teaching methods, through tools like smart boards, made abstract concepts more tangible and engaging. I take immense pride in the enthusiasm and creativity my students bring to the classroom. It has been a joy to witness their curiosity transform into confidence and competence. As we close this chapter, I look forward to nurturing their potential and guiding them toward greater heights in the years to come.

MS. ANUJA GUPTA TGT MATHS

In a world of wonder, soft and small,
We gather together, one and all.
Blocks and books, crayons and glue,
Each day brings something fresh and new.

We trace the letters, A to Z,
And count the stars that we can't see.
Songs we sing, so sweet and clear,
Echo with joy, filling the year.

Tiny chairs and tables low,
Where little minds begin to grow.
Shapes and colors, red and blue,
The world feels big, but cozy too.

Recess calls with swings that soar,
Chalk-drawn rainbows, and games galore.
Sharing, caring, learning to try,
Reaching new heights as the days fly by.

In this small world, so safe and bright,
Friendships bloom like stars at night.
Oh, kindergarten, sweet and true,
A magical start to dreams we pursue.

SHIKHA CHAUHAN FORM TUTOR JR PREP B

You are magical.

PARENTS' REVIEW

We, the parents of Farwah I C & Sukaina V B are very happy writing this note. We know that our children's future is in safe hands. It is great to see that apart from academics, our child is also growing physically as well as mentally.

I would like to thank all the teachers, coordinator ma'am and the head mistress ma'am. Special thanks to the form tutors, Ms. Harjeet Kaur and Mr. Piyush

FARWAH I C , SUKAINA V B

Thank you for all the love, care, and dedication that you put into teaching!

We are beyond grateful for your guidance and support. To the best teacher- your hard work and dedication have not gone unnoticed.

Words cannot capture my appreciation! Thankyou Neelam mam *

PRISHA NURSERY B

Hi All,

I am Sangita Prabhakar mother of Eshana who studying in class I in wisdom Global School. The wisdom Global School is very nicely furnished and add the amenities are available in this school.

Now I want to say about respected principal ma'am of the School (Ms. Swati Rana) She is very polite and kind person who always listen and talk about our problems and suggestions.

And the teachers are very cooperative and talented. Teachers of the school always encourages the students to do well for make them participate. in all kinds of cultural or sports program or activities. So that student learn many things and build confidence in themselves.

At the end I want to say thankyou so much for yours all dedication and care of children. Your encouragement and wisdom have guided my child very well to do well and also help her in build her confidence.

Thank you very much

**MS. SANGITA
M/O ESHAN I-C**

As parents, we are extremely pleased with the quality education and nurturing environment of "Wisdom Global School" as an essential foundation for her growth and development. It is not just a place where academic lessons are taught, but it is also inculcating social skills, discovering her passions, and building a sense of responsibility in her. We deeply appreciate the dedication of the teachers and staff who go above and beyond to create a positive and supportive atmosphere. The school fosters a sense of community, encourages curiosity, and helps our children develop into well-rounded individuals. We are grateful for the opportunities it provides, and we trust that our child is in a safe, enriching space where she can thrive academically and personally.
